CISO CHOICE AWARDS 2023 APPLICATION

Please provide all the information listed below:

1. Company Name
2. Product/Service Name
3. Company Website
4. Contact Name
5. Contact Title
6. Contact Email
7. Contact Phone Number

Please provide your answers to the questions below. Please limit answers to 150 words each.

For consideration in Best Use of AI

Are you using generative AI and do you develop your own machine learning models? How does this help the CISOs and their teams to better defend their organization against a deluge of attacks?

For consideration in Partner in Success

How does your company support CISOs (financially, technologically, etc.) and their organizations?

Mandatory Questions for All Applicants

1. What business risk or information security problem(s) does this product/service solve?
2. How is your product or service unique or innovative?
3. What sets your company apart from your competitors?
4. What are the business advantages for enterprises when using this product or service?
5. What is your customer service model?
6. Summarize your roadmap 6-12 months out. **What should I be excited about in the next release of your product?**
7. What question do you wish we would have asked and how would you answer it?
